

# Thank You

**GIVING  
TUESDAY**

Dear friends and colleagues,

**We are excited to share that thanks to your generous support we have received an additional \$20,000 in pledges, surpassing our goal by \$9,522.03 and unlocking the full match challenge!**

This is by far our most successful giving campaign and because of your contributions of time, treasure, and talent we will be able to sustain African Diaspora Network as we support entrepreneurs in the U.S. and Africa and bring together Africans, diasporans, and friends of Africa in support of Africa and the communities in which we live.

Although the match challenge has been met, your donations can still make a difference to the ADN community and people we serve. Please consider contributing to the ADN this Giving Tuesday and help increase our impact.

We will share our 2023 impact report with you soon. In the meantime, you can read about our 2022 impact [here](#). We hope to see you at the African Diaspora Investment Symposium (ADIS24) happening March 20-22, 2024 at the Hayes Mansion in San Jose, CA for a continued celebration of our collective impact.
