**Nominate an African Diaspora Luminaire**
Every year at the African Diaspora Investment Symposium, ADN recognizes outstanding African Diasporans who are doing impactful work in Africa and the communities in which we live. We take the time to honor, thank and uplift the work they do.

This year’s ADIS24 focuses on: Activate with Africa: Climate Change, Connections and Action; so we are particularly interested in celebrating trailblazing Africans in the diaspora working to address the climate crisis.

Please help us by nominating an African Diasporan who you believe emulates the spirit of this award: someone making the world a brighter place through their impactful work, passion, dedication and leadership. **Nominations close January 31st.**
